to a discussion of the channels and manner of intensifying Embassy reporting DDCI asked Bross to meet with Hughes to discuss this and to pave the way for a briefing of DCI on what may be required to improve the system. DDCI noted that Tom Hughes had called him yesterday about the	·g.
DDCI referred to a memo appointing Bill Moyers as DR coordinator in the White House. DDCI agreed to arrange for meet with Moyers this morning to discuss CIA support.	25X 25X1
There was a discussion of the Marquis Childs article. It was noted that State and CIA hold conflicting opinions on the nature of the Communist threat in the Dominican Republic. DDCI noted that the White House has asked State Department to have another try at a "white paper" on the DR for use around the world.
